

DEPUTY CHIEF 2017

LtQuestions is writing exams to prepare users for the upcoming Deputy Chief exam.

We have already begun writing a DC specific package with all the latest updates and our usual array of questions, including an in-basket.

The package is called the "Manhattan Package".

The price will remain the same as before (\$96 for all 16 exams and will include a 60 question midterm and a 100 question final).

Members will be ranked twice. The first ranking system will be according to your score. The second, and more important, ranking will be according to your score including seniority (this will be available in late January). This way users will see where they stand against their competition.

Good luck and stay safe!
